

# 2010 RATES

Use these rate tables to compare rates  
for the plans you're interested in.

**For new coverage effective  
October 1 through December 1, 2010**

# Important information about our rates

## What determines your rate

Your rate is based on the following:

- the plan (or plans) you select
- the subscriber's age and gender (In a plan with family coverage, the subscriber is the oldest family member.)
- how many family members are covered

If you add or drop an eligible dependent or if the subscriber progresses into a new age bracket, your monthly rate may change.

## Finding your rate

After you've determined which plans you are interested in, you can use these charts to easily compare the rates.

- Find your desired plan(s) in the following charts.
- Locate the category of coverage you're interested in (Single subscriber only, Subscriber + child, etc.) at the top of each chart.
- Scan the column on the left to find the age of the subscriber.
- You will find your rate in the box where the subscriber column and the age row intersect.

## Effective dates

Rates are for effective dates October 1, 2010, through December 1, 2010. Once you are enrolled, your rate will remain the same for 12 months from your effective date and is subject to change at the time of your annual renewal. If you change plans, add a dependent, or turn 65, your rate may change before your renewal month.

## Try different combinations

Sometimes one plan may not work for everyone in your family. Maybe one family member needs coverage the others do not need. For example, a parent might opt for a lower rate as single subscriber on a Balance plan, while the children might need the extra coverage offered by a Now plan. Try various combinations to get your best fit in coverage and price.

## Child-only rates

All our plans offer child-only rates. Each child must apply separately. Monthly child-only rates apply only when the child is the sole plan subscriber. These rates do not apply to plans with adult subscribers.

## Medicare-eligible subscribers

If you are 65+ years of age and Medicare eligible or are under age 65 and entitled to Medicare on the basis of Social Security disability, you may be eligible for lower rates under Kaiser Permanente Senior Advantage. Please call **1-888-468-0100** for more information.

## Please note

All applicants are subject to medical underwriting. We'll send you a letter notifying you whether you have been approved for coverage. Please do not cancel your current coverage until then.

KPIF coverage will not begin until you receive a written notice of approval. We won't deposit your check or charge your credit card unless you're accepted for membership. If approved, your coverage will begin on the effective date indicated on the notice. Upon approval, you'll receive your Kaiser Permanente ID card.

## Our service area

Please check to see if you reside in our service area, based on your home address. All applicants must reside within the Kaiser Foundation Health Plan of Georgia service area. Make sure you live in one of the counties we serve: Barrow, Bartow, Butts, Carroll, Cherokee, Clayton, Cobb, Coweta, Dawson, DeKalb, Douglas, Fayette, Forsyth, Fulton, Gwinnett, Hall, Haralson, Heard, Henry, Lamar, Meriwether, Newton, Paulding, Pickens, Pike, Rockdale, Spalding, or Walton.
